

Date: March 30, 2024

Location: Cornerstone Pub Exeter, RI

SNGPG Seminar, Fertilizer pickup and
Meet & Greet Photo Recap.

Our 3 GOTY winners from the SNGPG received their GPC awards (plaques, medals and jackets) from Ron Wallace and Woody Lancaster today (March 30, 2024). The awards were shown at the GPC Convention in Kasterlee, Belgium and presented to these growers in Rhode Island for our Seminar. Winners are Joe Jutras(Long Gourd), Steve Connolly (Bushel Gourd) and Steve Sperry (Giant Pumpkins).

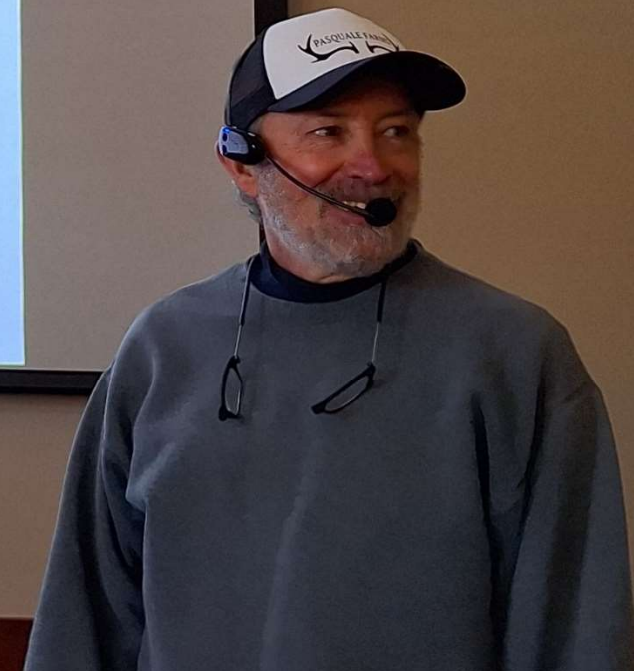

For the Fertilizer and Supply pickup, here are just a few of the growers at the SNGPG Seminar

Its been a long road. Going back to the year 2000... I've brought 40 sound pumpkins to the scales and the following 25 Pumpkins were Top 3 finishers, during those 24 years.

Pasquales (1)	2465 pounds
Frerichs (7)	2136.5, 2021.5, 1914.5, 1806, 1961, 1775.5, 1520, 1312
Topsfield (4)	2198, 1986, 1938, 1253,
Ridgefield (4)	2154, 1904.5, 1846.5, 1608
Durham (4)	1931.5, 1461, 1325, 1274
Woodstock(1)	1554
Deerfield (1)	1970.5
Bethlehem (1)	1228.8
BIG E (1)	904.5
RIPGA (1)	615

These 25 'kins are Steve Sperry's Top 3 (Win, Place or Show) Pumpkins over his growing career.

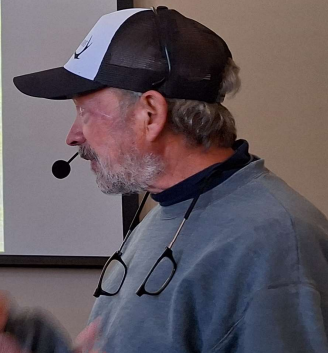

Director Name: EB356FGD

Drenched plants every other day with Plant Marvel 12-5-19 and Humic Fulvic throughout the month of June.

July on..... every day with 15-5-30 and Humic Fulvic.

Once a week with essential, companion, Neptune's Harvest Fish and Seaweed, TKO, SP1 and one tablespoon 3X a week with Borax.

Steve's Presentation was very informative. Lots of New England Growers in attendance.
