# The SNGPG Directors **ROCK!**

Here are the SNGPG directors. If you ever need some help feel free to contact them. They always seem to be doing something for the club...whether it be at the *Frerichs Farm Weighoff*, the *Seed Auction on BP.com*, the *Virtual Weigh-off*, the *Spring or Winter party*, coming up with *Newsletter* ideas, or our *SNGPG Seed PROMO*. Plus this year all the directors started an extra 3 to 6 plants for you. So if you have a rough start they are ready for your email or mail. Hey anything goes....once Ron Wallace mailed a 1288 seedling to Don Young in Iowa, and Don grew a 1658 from it.
