

The 3156 and Frerich Farm Weigh-Off RECAP

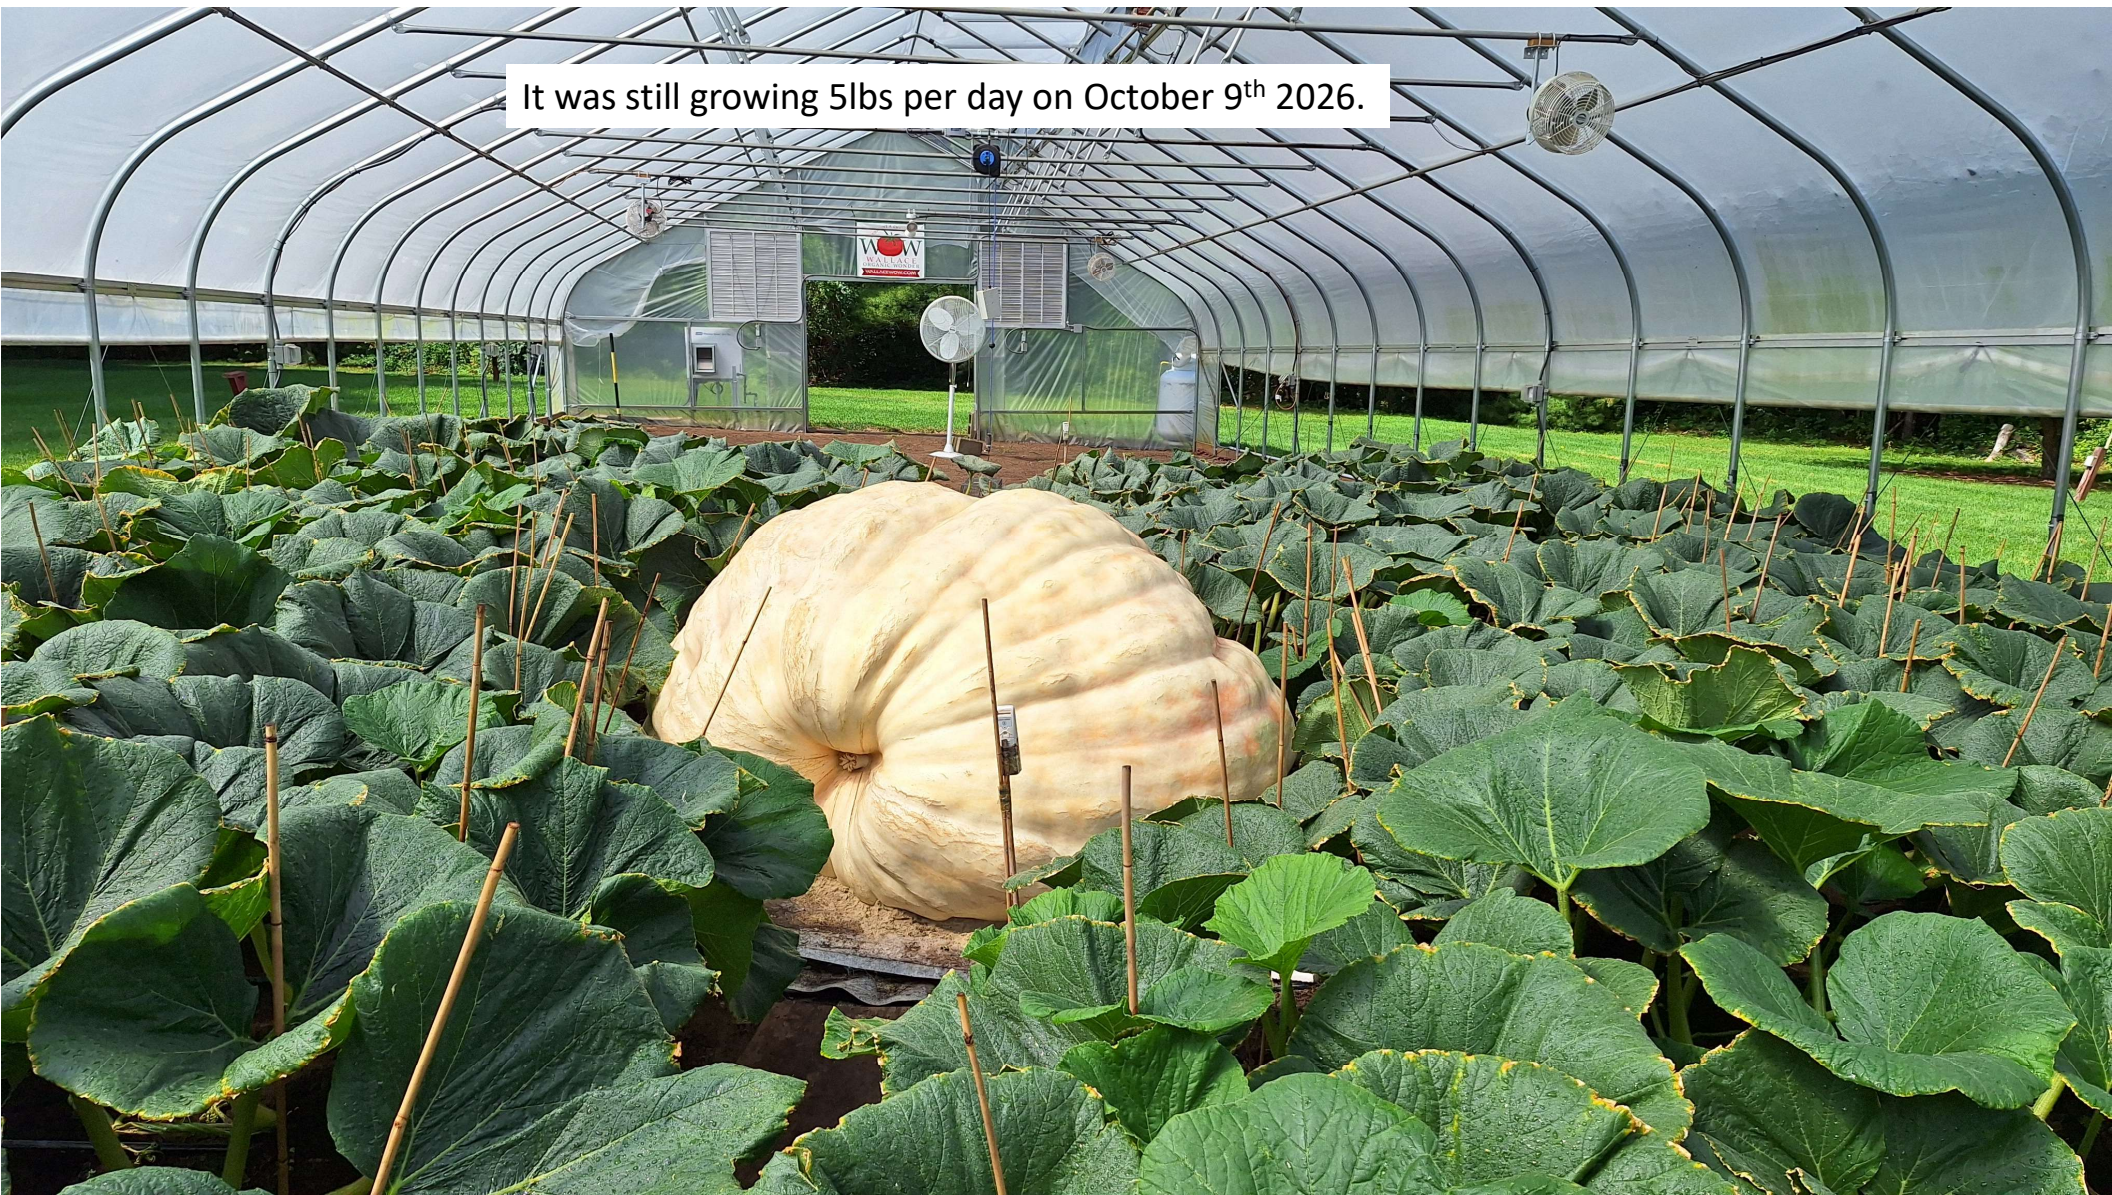

Its October 10, 2026. The Crowd has gathered expecting a good show. And that means its Weigh-off time at Frerichs Farm in Warren RI. Lets start with a Pumpkin Drop. That's an 1100 pound Giant Pumpkin floating back to earth, which was donated by Ed Pappas from Marshfield, MA

BUT..The Day before Frerichs, a BIG Pumpkin was still growing in a patch owned by Ron Wallace.

It was still growing 5lbs per day on October 9th 2026.

And it was BIG! ...VERY BIG

Somehow the crew of 9 had to lift it onto a pallet

The BIG ONE (2731 Stelts x 2020 Paton) is loaded up. Its time to get it on a truck for the weigh-off.

And they got it out of the green house...It barely fit through the door.

Successful delivery as The BIG
Ones Started arriving, including
this one grown by Ron Wallace.

Mike Oliver and Steven Dallaire, moved a lot Giants at Frerichs Farm on this beautiful day.

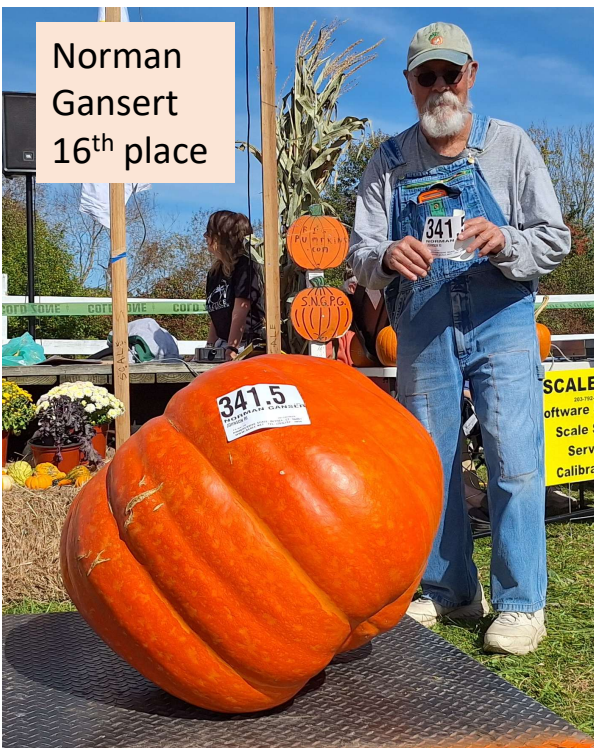

Touch Down!!

Rons pumpkin made it to
