

# GIANT PUMPKIN GROWERS

# Big Pumpkins .com

Ken Desrosiers  
at BP.com  
Headquarters

Spring is in the Air!  
Its time to fill in  
your Cow Patty's.

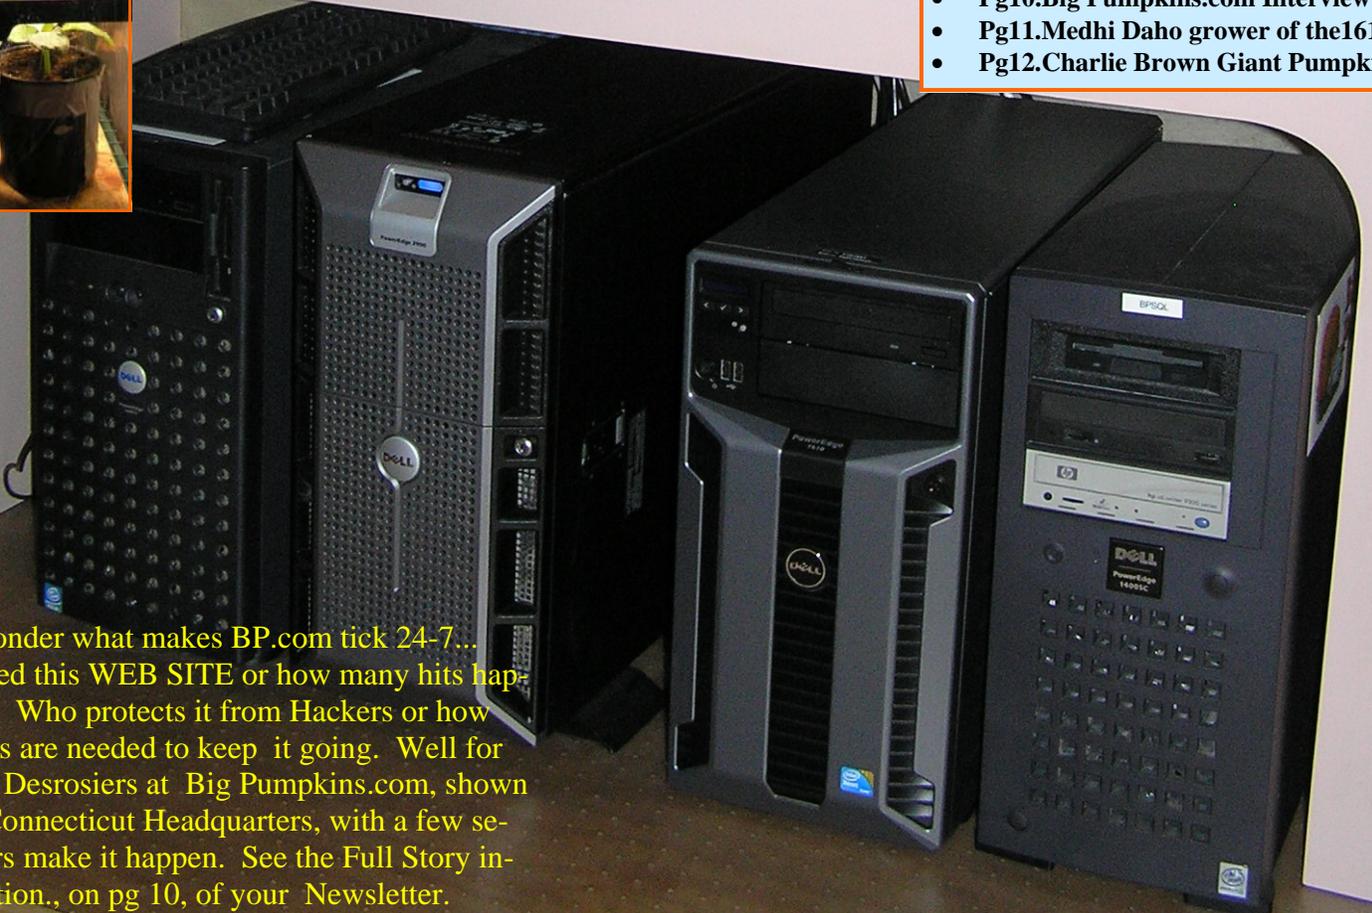

By late April, many  
growers plants look like  
these 5 day old seedlings.

You ever wonder what makes BP.com tick 24-7... Who designed this WEB SITE or how many hits happen per day. Who protects it from Hackers or how many servers are needed to keep it going. Well for starters Ken Desrosiers at Big Pumpkins.com, shown here at his Connecticut Headquarters, with a few select screeners make it happen. See the Full Story inside this edition., on pg 10, of your Newsletter.
